## INTRODUCTION

This series of five bulletins gives operating expense data of the service trades by kind of business, form of organization and type of occupancy, for the economic areas of Canada. Data by kind of business, but without the other breakdowns, for Canada are provided also which makes reference to Bulletin 6.2-12 (Catalogue No. 97-522) unnecessary. Bulletin 6.2-12 gives operating expense data for all service trades, where response to the questionnaire was adequate, for Canada and the economic areas but without the other breakdowns available in the SS Series. The SS Series bulletins are entitled as follows and should be ordered by catalogue number from **Publications Distribution, Dominion Bureau of Statistics**, or from **Superintendent of Publications, Department of Public Printing and Stationery, Ottawa**:

Catalogue number	Title and bulletin number	Price
97-538	Amusement and Recreation Trades (SS-1) .....	\$ .50
97-539	Business Services Trades (SS-2) .....	.50
97-540	Personal Services Trades (SS-3) .....	.50
97-541	Hotel, Tourist Camp and Restaurant Trades (SS-4) .....	.50
97-542	Miscellaneous Services Trades (SS-5) .....	.50

When data for an area are not shown it indicates response to the questionnaire was not adequate. In a few instances there were no establishments of some trades in certain economic areas; for example, there are no outdoor motion picture theatres in Quebec. The reader may wish to refer to the main publication of the 1961 Census of the service trades which is Bulletin 6.2-11 and bears Catalogue No. 97-521. The price is \$1. This bulletin has statistics on receipts analysed by source, accounts receivable, inventory, employment and payroll. Figures are shown for Canada and the provinces.

La présente série de cinq bulletins comprend des données sur les frais d'exploitation des commerces de services par genre de commerce, genre d'organisation et mode d'occupation, pour les régions économiques du Canada. La statistique par genre de commerce qui, toutefois, ne donne pas les autres ventilations des chiffres pour l'ensemble du Canada, est également fournie, ce qui fait qu'il n'est pas nécessaire de se référer au bulletin 6.2-12 (numéro de catalogue 97-522). Le bulletin 6.2-12 expose les données sur les frais d'exploitation pour tous les commerces de services qui ont donné une réponse satisfaisante au questionnaire couvrant le Canada et ses régions économiques, mais ne comprend toutefois pas les autres ventilations des chiffres disponibles de la série SS. Voici ci-dessous les titres des bulletins de la série SS; on doit en faire la commande par numéro de catalogue, en s'adressant à **Distribution des publications, Bureau fédéral de la statistique** ou au **Surintendant des publications, Département des impressions et de la papeterie publiques, Ottawa**:

Número de catalogue	Titre et numéro de bulletin	Prix
97-538	Commerces des services récréatifs et de divertissement (SS-1) .....	\$ .50
97-539	Entreprises de services commerciaux (SS-2) .....	.50
97-540	Entreprises de services personnels (SS-3) .....	.50
97-541	Hôtels, camps de touristes et restaurants (SS-4) .....	.50
97-542	Commerces de services divers (SS-5) .....	.50

Lorsque les données pour une certaine région ne sont pas indiquées cela veut dire que la réponse au questionnaire n'était pas suffisante. Dans certains cas, peu nombreux, toutefois, aucune entreprise de quelque genre de commerce que ce soit n'a pu être enregistrée dans certaines régions économiques; par exemple, le Québec ne possède pas de cinémas en plein air. Il se peut que le lecteur désire se référer à la publication principale du recensement pour 1961 des commerces de services qui est le bulletin 6.2-11 portant le numéro de catalogue, 97-521 et qui coûte \$1. Ce bulletin contient la statistique sur les recettes des établissements de commerce, selon la source, les comptes à recevoir, les stocks, l'emploi et la paie. Les chiffres pour le Canada et les provinces sont indiqués.
